8(a) STARS III

GSA 8(A) STARS III CONTRACT AWARD

BFSI is a joint venture member of RPS-JV, LLC (Ross Professional Services LLC – Managing Partner). In 2021, RPS-JV, LLC was awarded GSA's 8(a) STARS III Government Wide Acquisition Contract (GWAC). STARS III is a 'Best-In-Class' multiple-award IDIQ contract 8(a) STARS III is a multiple-award indefinite-delivery/indefinite-quantity (MA-ID/IQ) contract designed to provide federal agencies with innovative information technology (IT) services-based solutions from award-winning 8(a) small businesses.

In addition to the general IT services scope, 8(a) STARS III includes two focused scope sub-areas: Emerging Technologies (ET) and OCONUS Place of Performance. 8(a) STARS III prime contractors in the ET scope sub-area have experience providing evolving state-of-the-art emerging technologies such as technological convergence, robotic process automation, autonomic computing, and more. Prime contractors in the OCONUS scope sub-area have experience providing IT services in an Outside the Continental United States (OCONUS) location.

\$50 billion program ceiling and five-year base period with one three-year option

No protests on orders under \$10 million, except on the grounds that the order increases the scope, period, or maximum value of the GWAC

Sole-source task orders up to the 8(a) competitive threshold

Professional Services Past Performances

**Bell Federal
Systems Inc.**

State of Louisiana: IT Staffing Support

In 2024, Bell Federal Systems was awarded a 5-year multiple award contract to provide temporary Contract Staff Resources for a wide range of IT services to assist State agencies.
